

# John Doe

Senior Software Engineer | Java Specialist

Email: johndoe@example.com | Phone: +1 234 567 890 | LinkedIn: linkedin.com/in/johndoe

## Professional Summary

Highly accomplished Senior Software Engineer with over 10 years of experience designing, developing, and deploying enterprise-grade Java applications. Proven expertise in Spring Boot, Microservices, and Cloud-native solutions. Adept at leading cross-functional teams, optimizing system performance, and delivering high-quality software solutions that align with business objectives.

## Core Competencies

Java SE/EE, Spring Boot, Hibernate, Microservices Architecture, REST API Development, Cloud Platforms (AWS, Azure), Docker & Kubernetes, CI/CD (Jenkins, GitHub Actions), Agile/Scrum, SQL & NoSQL Databases, Performance Optimization, Test-Driven Development (JUnit, Mockito)

## Professional Experience

### **Senior Software Engineer** | TechCorp Solutions | 2018 – Present

Lead the development of scalable microservices using Java and Spring Boot, improving system uptime by 35%. Architected cloud-based solutions on AWS, reducing infrastructure costs by 20%. Mentored junior engineers, fostering a culture of code quality and continuous improvement. Integrated CI/CD pipelines, accelerating release cycles by 40%.

### **Software Engineer** | Innovatech Systems | 2014 – 2018

Developed REST APIs and backend services in Java, enhancing system responsiveness. Collaborated with frontend teams to deliver seamless user experiences. Optimized database queries, resulting in a 25% improvement in performance. Participated in Agile ceremonies, contributing to sprint planning and retrospectives.

### **Junior Software Engineer** | NextGen Technologies | 2011 – 2014

Assisted in building enterprise applications using Java EE and Hibernate. Wrote unit and integration tests, improving code coverage by 30%. Provided production support and bug fixes, ensuring high availability.

## Education

**Bachelor of Science in Computer Science** | University of Technology | 2007 – 2011

## Certifications

Oracle Certified Professional: Java SE 11 Developer AWS Certified Solutions Architect – Associate Certified Kubernetes Application Developer (CKAD)
